

THE PARAGONTM 3/8 SERIES FRAMELESS

Affordable Luxury in a Frameless Bypass Shower Door System

The ultimate in bypass shower enclosures; the Paragon 3/8 Series Bypass.

Heavy 3/8" tempered glass panels glide smoothly inside the architecturally sculpted header, providing a luxurious enclosure at a surprisingly affordable price.

Choose from our exclusive radius towel bars or a more traditional brass bar option.

Standard with clear glass for 48" and 60" shower and 60" tubs. Other glass options and sizes available.

Available in Brite Silver, Brite Gold, Brushed Nickel and Oil-Rubbed Bronze finishes.
